Beginning October 2016, we are offering a new deal for our Student Riders.

We now offer a monthly pass for students beginning October 2016 to May 2017. Each monthly pass will cost \$100.00 for the first student and \$20.00 for additional student*.

The same service rules outlined in the Student Rider Application apply for student's and their parents/guardians, whether they purchase a pass or tickets.

Passes may only be purchased at our office with cash or check. Monthly passes must be purchased prior to the beginning of the month for which the pass applies.

Students will be required to show the driver their pass when boarding. If a pass is lost or destroyed, there is a \$5.00 replacement fee. Passes are not pro-rated and are not refundable**.

*Additional Student Riders: For those families with multiple students riding from the same location to the same destination at the same time, we do offer a discount for the additional riders.

**Passes may only qualify for a refund if returned within the first three school days of the month they apply to.
